WHAT THE FAMILY GETS

- Quiet sensor kit installed and tuned in the home
- Shared Family Dashboard — All clear / last sync
- Alerts only when something meaningful changes
- A person can verify before the family panics
- No cameras in bedrooms or bathrooms
- No pendant to remember to wear
- Optional wellness check-ins with Remedy NH
- Southern NH & Northern MA technician install

OPTIONAL — REMEDY NH WELLNESS CHECKS

Hearthmark watches the house. If a family also wants a licensed nurse to stop by, that visit is booked with Remedy Integrative Health & Spa in Nashua — on Remedy's calendar.

Optional. Separate. Not Medicare billing and not 24/7 clinical monitoring.
